

I am the  
battleship  
Nagato,  
lead ship  
of the  
Nagato  
class.

Day  
after day,  
I fight the  
enemy's  
main fleet  
on the  
front-  
line.

Though  
I know  
nothing  
besides  
combat.

Some-  
thing  
deep in  
my heart  
has me  
feeling  
uneasy.
